Todd Carter, Lead Pastor

Pathway Church

Dear Todd:

After much prayer and discussion, I have decided to retire from my position as Executive Pastor for Pathway Church, effective June 30, 2022.

After living away from our children for almost 20 years, since they completed college, married and started their families, we want to live closer to them and will be relocating to Spring Hill, TN. We are currently building a house there.

I'm also extremely excited that we've selected Rodney Elliott to become Executive Pastor as I leave. He will lead differently than I have, but he will be a great asset to you, to Pathway and to God's Kingdom. I look forward to mentoring him and turning my responsibilities over to him during the next six months.

It's extremely hard to write this letter and to realize that I/we are saying goodbye to this church that we love so much and that has meant so much to us. We have shared in 40 years of phenomenal years of local church ministry, grateful to God for all that he has done in us and through us.

But we know that should the Lord tarry, the best years for Pathway Church lie in the future.

With much love and prayer,

Larry Wren
