General Provisions

- The Pathway Church College Tuition Assistance Program Committee will administer TAP.
- Tuition Aid granted by Pathway Church will be paid by Pathway Church directly to the college and thereby credited directly into the student's account.

- This Scholarship Program is not tuition exclusive. It can include book costs, room and board, supplies, etc. (i.e. any expense that can be paid directly to the college/university).
- Tuition Aid shall not be given for more than 8 (eight) consecutive semesters and is for an undergraduate (4-year) program only. In addition, students will have a **maximum** of eight (8) opportunities to receive tuition assistance.
- Non-traditional students applying for scholarships (those who have not been in school for more than one year following high school graduation), will be directed to the Pathway Church Global Outreach Board for scholarship consideration and will not fall under the TAP recommendations.
- Tuition Aid shall be dispersed pending submission of application, semester grades and cumulative GPA, next semester schedule and TAP committee approval.
- If any applicant's cumulative GPA falls below 2.5, they will not be granted assistance for the following semester, thus allowing the student one semester to improve their GPA. After the GPA is improved and again meets the standards, the applicant may reapply for assistance.
- All applicants must submit the required documentation as required for each semester to the student ministry administrative assistant.

Securing a Scholarship

- All scholarships will be recommended by the College Tuition Assistance Committee and approved by the Pathway Church Global Outreach Board. Personal interviews may be requested if deemed necessary.
- Applicants are required to submit a TAP application to the Committee **each fall**. The application must be turned into Pathway Church **no later than July 1st**, along with the additional required documents.
- Applicants are responsible for contacting their high school or college to have grades mailed to their home or the church in order to complete the application process.
- Correspondence is encouraged with the Committee regarding progress in school, extra curricular activities, service projects, church attendance and related activities. **Note:** It is your responsibility to keep the church informed of your current address.
